

HEALTH and SAFETY POLICY

24/07/2019

The following statement of principles and intentions comprise the Health and Safety Policy of the Blue Lagoon Group.

Principles

The management of the company is committed to:

- ❖ Prevention of injury and ill health of anyone at the premises of the company.
- ❖ Comply with all relevant environmental legislation and regulations and with other requirements to which the hotel subscribes.
- ❖ Provide all the necessary resources in order to have the best implementation of this policy
- ❖ Continual improvement in H&S management and performance
- ❖ Maintain the high standards of food safety and hygiene, including the full implementation of HACCP system

Children Employment and Exploitation:

- ❖ We do not employ children under any circumstances and if any irregular action comes into our attention in terms of children general and sexual exploitation, we are committed to report that activity to the relevant authorities.

Intentions

- ❖ To minimize the accidents at the work place and improve the state of premises and the methods of work.
- ❖ To continually identify, assess and check the health and safety risks and to implement the relevant preventive measures.
- ❖ To set and review health and safety objectives and to implement an action plan for their evaluation.
- ❖ The provision and maintenance of a suitable, safe working environment for all employees
- ❖ Making available information, instruction, training and supervision as necessary to ensure the occupational health and safety of all employees
- ❖ To communicate to our employees, customers and suppliers our policy with the intent that they are made aware of their individual health and safety obligations.
- ❖ To undertake risk assessments to all our activities with a frequency relevant to their harm
- ❖ To collaborate with certified suppliers
- ❖ To have the policy available to the interested parties
- ❖ This policy is reviewed so it is relevant and suitable to the company's activities
